REGULATIONS

Failure to follow any of these regulations may result in a vendor not being considered for future fairs and in worse case, they will be asked to leave the fair and no refund will be given.

1. **Admission & Parking:** Admission to the fair is free. We ask all vendors to park next door to the fairgrounds in the county parking lot on Howard Ave, behind the Garfield County Department of Human Services building lot. Parking space on the fairgrounds is limited and fair patrons, your customers, are the preferred vehicles to park on the fairgrounds. You will be given **two** vehicle passes that must be displayed in your vehicle. Please contact fair administration for additional parking needs. **Please note: there is no "temporary" parking just outside the entrances to the Midway area. Our fair is growing and we need to respect our visitors by not impeding the entrance and creating safety issues.**
2. **Advertising & Soliciting:** All vendors must remain within their rented area while selling or soliciting on the fairgrounds. If you are soliciting outside your designated area you will be asked to leave and no refund will be given. This may include passing out coupons, stickers, or displaying signage around the fairgrounds. All signage must be limited to booth space or **adjacent** to it. No flags, sandwich boards, etc. may be placed in aisles, walkways or in any way impede pedestrian traffic. They must be adjacent to your booth.
3. **Alcoholic Beverages:** Alcohol beverages are to be consumed in designated areas only, which includes inside the midway fenced area, the outdoor arena, grandstands and track. No open containers are allowed anywhere else, including the parking lot and inside your vehicles. **Vendors are not allowed to consume alcohol while operating their business.**
4. **Agreement Modifications:** No prior or present Agreements or representations shall be binding upon any of the parties hereto unless incorporated in the Agreement. No modifications or changes in the Agreement shall be valid or binding upon the parties unless in writing, executed by the parties to be bound hereto.
5. **Booth Sales Consideration:** Please submit a list with all items and proposed prices. If selected, a formal list may be negotiated to avoid duplication. Fair Administration will be looking for variety that will set your products or services apart. Food vendors - freshness, diversity, and unique memorable food fare are all considerations that will assist in selections. No items or changes in pricing will be allowed that are not included in this agreement or submitted and approved in writing after this agreement has been fully executed.
6. **Booth Assignment:** Booth assignment is final and up to the sole discretion of the Garfield County Fair & Rodeo. Spaces are assigned based upon electrical needs, historical participation, booth size, and early registration. GCF&R has to look at the fair as a whole and decide what serves the fair, the guests and the vendors best for a safe and positive fair experience for all.
7. **Booth Set-up:** To serve all vendors efficiently, you need to schedule an appointment to arrive at the fair and set up on your first day at the fair. If you don't, you may have to wait until someone is available to assist you. Please contact Fair Administration to set your appointment. All Vendors must check in with Fair Administration before setting up. **Set up will begin every day at 8:00 am and must be complete by 10:00 am every day and all vendor vehicles should be off the fairgrounds and parked in the lot on Howard Avenue. Vendor vehicles must enter the vendor entrance only on the north side of the fairground midway (see map). No vehicles will be allowed on to the fairgrounds after noon on Tuesday and after 10am on Wednesday- Friday, 9:00 am on Saturday and 10:00 am on Sunday.** This is a safety issue that the County takes very seriously. Failure to abide by this policy will not be tolerated and your application may not be considered the following year.
